ANNUAL REPORT 2022

From the Chair

As another successful year passes, I am happy to report that the state of our Alliance (LIA), with our family of foundations and funds, is very strong coming out of the last few years of global struggle. We are energized and moving forward with new initiatives, helping our local communities thrive.

The last several years our team has diligently transformed our organization into one that not only supports those in need, but other charitable organizations and their goals as well. In this report, you will learn how those institutions can now focus on their missions instead of wasting precious energy on their operations.

I am proud of what we have become as an organization, well recognized in the philanthropic community, and I hope you are as well. The future is bright for us and the possibilities are truly unlimited.

As I always remind you this time of year, I hope you will do as my family does, and look at our commitment to philanthropy, our focus and the level we hope to give this year. If you would like to discuss your own funds with Beth and team, give the office a call at 734-495-1200. They will be glad to meet with you.

In the following pages, you will see the five main organizations that LIA supports.

I wish you meaningful holidays, a happy and healthy new year and an easy winter.

Your Board Chairman,
Steven Sneideman

Why should I donate locally?

Not only will it enrich your life and boost ties with your community, but also connect you to people with similar goals for the overall greater good.

WORKING WITH YOU TO
MAKE AN IMPACT ...
LOCALLY.

Connect. Invest. Grow.

Local Impact Alliance is an organization that encourages their community to donate locally and reminds of its importance. Since its establishment, the LIA has been bringing together multiple foundations and organizations for the greater good.

Please help support the mission of the Local Impact Alliance which serves the communities of Canton, Plymouth, Westland and surrounding areas by scanning the QR code and making your year-end gift.

CANTON COMMUNITY
FOUNDATION

Cultivating Dreams. Enhancing Lives.

Enhancing philanthropy in Canton
and the surrounding communities of
Wayne County since 1989.

Here's a little bit more about
the funds CCF supports.

Camp A.B.L.E.

Achieve, Believe, Learn, Experience.

Camp A.B.L.E. is a program supported by Canton Community Foundation that is dedicated to providing children with disabilities a fun, engaging summer camp experience that caters to their needs. This summer, they had 28 participants, 14 of which were new campers! One camper even said their first word this summer! Camp A.B.L.E. is a fun and engaging program that emphasizes motor skills, independence, and social skills through field trips and themed activities. Here is what the kids and parents have to say:

"Thank you for the happiest summer of my life! Without you memories like this couldn't be possible for kids like us!"

- Camp ABLE Participant, Age 13

"My least favorite part of camp is when my mom comes to pick me up"

- Camp ABLE Participant, Age 13

"(My Son) said this was the best summer he has ever had and it means so much to see him happy."

- Camp ABLE Parent

"I could feel the love for my boys each day when I dropped them off; and I can't describe how much that means to me. When I so often feel like we are an inconvenience, you have made (my boys) feel loved and significant."

- Camp ABLE Parent

Community Foundation of Plymouth Welcomes Plymouth Community Foster Closet

Plymouth Community Foster Closet (PCFC) opened their doors in August of this year. Their mission is to provide free clothing and other necessities while a child is in foster care, extending through to reunification, adoption or as a child ages out. Since opening, they have been able to serve hundreds of children, hoping to serve many more throughout the holiday season!

Amongst clothing and day-to-day necessities, Plymouth Community Foster Closet provides forms for families to fill out with requests for other items they need. PCFC also held a backpack drive before the school year began that benefitted 50 children. Many more have since picked up backpacks.

Community Foundation
Plymouth

Constantly filling the requests of children in foster care, Plymouth Community Foster Closet has already changed the lives of 200 and counting!

Westland Community Foundation Spreads Christmas Joy Throughout the Year

Founded in 1996, Westland Community Foundation (WCF) has contributed over \$1 million to organizations and student scholarships within the community. This past July, they hosted their annual Christmas in July at the Hellenic Cultural Center. Attendees were asked to bring bags of food to benefit the Wayne-Westland Salvation Army for those in need of a little cheer this summer. This was their first event being partnered with the Local Impact Alliance.

In early December, Westland Community Foundation held a toy drive with one goal in mind – no child without a toy this holiday season. Guests brought unwrapped toys to put under the tree to benefit underprivileged children. Westland Community Foundation continues to emit Christmas Cheer throughout the year!

Helping Children, One Eagle at a Time

Eagles for Children is a golf-based organization that provides a fun, social way to raise money for local disadvantaged children's charities. The Eagles for Children program is simple. They recruit country clubs to enroll in their program where each club member pledges a minimum of \$2 per eagle scored at their course during the year. The money is pooled and, at the end of the year, each country club determines to which local children's charities they will grant their funds.

In 2012, realizing the vast number of children in need right outside their club gates, co-founders Don Kegley and Hal Zaima put the Eagles for Children program to test at Oakland Hills Country Club. Three other country clubs joined that year, and they were able to raise nearly \$40,000 to benefit 14 children's organizations. Fast forward to 2022; 18 clubs raised over \$1 million to grant to 144 children's charities ... FOR THE KIDS!!

Eagles for Children 2022 Highlights

\$1,012,465
raised

274 grants
gifted to
144 organizations

Thousands of

It's a Girl Thing, It's a Giving Thing, It's a Good Thing

Giving Hope is a women's giving circle that focuses their efforts on improving the lives of women and children in the community. Since their inception in 2006, Giving Hope has been able to help women, children and their families in need through fundraising and grant making to organizations such as The Rainbow Connection, Seedlings Braille Books for Children, and The Clean Love Project. This truly passionate group of women continue to make a major impact on their community year after year.

GIVING HOPE
WOMEN'S GIVING CIRCLE
IT'S A GIRL THING • IT'S A GIVING THING • IT'S A GOOD THING

Giving Hope Grants Gifted in 2022

The Emily Ann Griffin Foundation received a grant to purchase equipment and life-enhancing experiences for children with special needs.

Living and Learning Enrichment Center received funds to purchase equipment for their Product Making Program that teaches individuals with autism how to make, brand and market products.

Courageous Kids was given a grant to expand activities and events for children facing life-threatening medical conditions.

What Is a Giving Circle?

A group of philanthropic people with similar values that band together for community and change. They decide as a circle what their pooled time and efforts go toward.

With your support we can keep making a difference within our local communities.

Scholarships awarded in 2022
